47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The best service Ive ever had for Internet is through my local provider LMI. I do not want to be forced to use a company that monopolizes the market, and would like to be able to choose to support my local businesses by utilizing LMI and other locals for my internet and phone service. Please do not allow them to be blocked from providing services.
